ABOUT COVENTRY DENTAL

Coventry Dental has more than 40 years of success in bringing dental coverage to individuals and their families. Licensed dentists are involved in every aspect of our operations. As a result, our policyholders are confident in the high level of care they receive.

Coventry Dental and CoventryOne are both part of the Coventry Health Care family of companies. Coventry Health Care is a national managed health care company with over 5 million members, operating health plans, insurance companies, network rental service companies and worker's compensation services companies.

Out-of-network dentists can bill you for charges above the amount covered by your Coventry dental plan.

To ensure you do not receive additional charges, visit a dentist in the Coventry network.

Waiting periods and other limitations may apply, please see your policy certificate for coverage details.

¹ Composite (white) fillings are only covered on anterior (front) teeth. An alternate benefit is allowed for composite fillings on posterior (back) teeth where the plan will cover the cost of an amalgam (silver) filling and the member is responsible for any cost over the covered amount.

² Dentists in the Coventry network may provide a discount for services not covered by the plan. Check with in-network providers for specific discounts.
